

Leslie Heinze, B.A, NCTMB, C.M.T.
www.amtamembers.com/leslieheinze

SUMMARY:

Leslie Heinze is a promoter of healing and wellness. Her primary goal is to educate the community about the importance of acquiring skills to care for oneself in order to achieve a life of well-being. It is a delight for Leslie to work within a community that enables her to promote well-being, health education, stress management and encourage a positive outcome for individuals. She is currently employed at the Center for Physical Health and is in private practice as a Therapeutic Massage Therapist. For her, it is a delight to have the opportunity to integrate her educational background, work experience, design skills, and interpersonal skills to serve the community.
